

# Welcome to LCC Tennis!

1914  
**LAWRENCE**  
country club

Tennis is an amazing sport for physical fitness and by nature is a safe distancing sport. Please read below on how we will keep you safe and healthy while providing a high quality tennis experience:

Groups will consist of **no more than 6 players** to keep safe distancing. Players are asked to place personal items 6 feet apart.

Players will **need to provide their own racquets**. We have racquets available for \$15/per racquet for start-up racquets.

All Genesis Tennis classes will be held on LCC courts with the following exception: **morning classes the weeks of June 7 -11, July 12-16 and July 19 - 23 will be at Genesis Lawrence South** due to previous tennis camp priorities at LCC courts.

Players **must signup in advance** to reserve your spot!

Classes will be safe, dynamic and most importantly **FUN!**
